

Poinsettia Luncheon Merchant

Over the last 50 years, Poinsettia Luncheon has evolved from a small, personal event shared by fellow League members to an invitational event that marks the calendars of over 1,000 of the Reno-Tahoe area's most influential women. The event has become a seasonal tradition for the community.

Poinsettia's crown jewel is its holiday boutique sprawling with unique finds. We invite you to participate in this year's holiday market as a Poinsettia Merchant. The Poinsettia Luncheon has been the primary means of support for The Junior League of Reno's community grant program as well as many of its largest and most influential projects in the region.

Each approved Merchant will be given a 10x10 booth space at no charge. If you need a 10x20 booth there is a \$250 charge (these Premier Booths are limited).
